**Dr Muhammad Faisal
Bin Johandi**

Class of 2005

Geriatrician &
Community Leader

FEATURED ALUMNI

2005 – Present

An Exemplary Leader

MBBS, NUS

MMed (Internal Medicine), NUS

RCSI Post-Graduate Diploma

RCP (UK) Post-Graduate Diploma

A geriatrician who combines clinical care for older adults with a commitment to medical education, healthcare ethics, and community engagement. After graduating from Zhenghua Secondary School as part of the Class of 2005, he pursued his MBBS and MMed (Internal Medicine) at the National University of Singapore, as well as post-graduate diplomas with the Royal College of Surgeons of Ireland and the Royal College of Physicians (United Kingdom). Specialising in healthy ageing and dementia care, Dr Faisal strives to improve the lives of older adults and build a more age-friendly society.

● Chairman, M3 @ Marsiling–Yew Tee

● District Councillor, North West CDC

● Malay/Muslim community upliftment through education, employment & health

● Champion of healthy ageing & dementia care

SUCCESS, TO ME, MEANS...

...finding purpose in what I do and giving my best every day. It goes beyond personal achievements; it is about contributing meaningfully to society. If I can touch lives, inspire others, and make a positive difference, that is what I truly value.

Yap Huijun

Class of 2012

Military Officer
Singapore Armed Forces

FEATURED ALUMNI

2012 – Present

Leadership Beyond the Ordinary

Singapore Armed Forces (SAF)

Military Officer

Outdoor Adventure Club (ODAC)

Zhenghua Sec School, Class of 2012

An alumna from the Class of 2012, Huijun was an active member of the Outdoor Adventure Club (ODAC) during her time at Zhenghua Secondary School. After completing her 'A' Levels, she signed on with the Singapore Armed Forces (SAF) to begin her career as a military officer. Her journey within the SAF has provided her with diverse opportunities and challenges that pushed her personal and professional growth as an exemplary leader — anything but regular.

● Diverse leadership opportunities in the SAF

● Active ODAC member during school years

● Personal & professional growth through service

● Exemplary leader with a meaningful career

A ZHENGHUA MEMORY I WILL ALWAYS TREASURE IS...

“

...the after-school sessions in ODAC, unwinding with friends after a long day of lessons. My advice to students is to enjoy your school days fully. You will look back one day and realise how special those moments were.

Athlete
National Serviceman

FEATURED ALUMNI

2022 – Present

A Dynamic Leader

Hwa Chong Institution (DSA –
Volleyball)

A-Division NSG Silver 2023 & 2024

National Service (current)

Zhenghua Sec School, Class of 2022

After graduating from Zhenghua Secondary School as part of the Class of 2022, Lance successfully gained admission to Hwa Chong Institution via Direct School Admission (DSA) for Volleyball. He represented his institution in the 2023 and 2024 A-Division National School Games, where his team clinched Silver in both competitions. Balancing rigorous academic demands with intense late-night training sessions taught Lance invaluable lessons in discipline, resilience, and time management. Currently fulfilling his National Service, he continues to embrace growth through new responsibilities.

● Volleyball national school competitor

● A-Div NSG Silver medalist 2023 & 2024

● Resilience through academic-athletic balance

● Aspires to study & live overseas

A ZHENGHUA MEMORY I WILL ALWAYS TREASURE IS...

“

...how my Chemistry teacher, Ms Natalie, constantly pushed me to do my best. Her encouragement helped me achieve my first A1 for O-Levels. It taught me that our perceived limits are often self-imposed, and our true potential lies far beyond them.

Data Centre Technician
Microsoft Singapore

FEATURED ALUMNI

2021 – Present

A Dynamic Leader

Work-Study Diploma, Logistics &
Supply Chain

Data Centre Inventory & Asset
Technician

Microsoft Singapore

Zhenghua Sec School, Class of 2021

A Dynamic Leader from the Class of 2021, Filbert Ho Jian Hao is currently pursuing a Work-Study Diploma in Logistics & Supply Chain Management at Institute of Technical Education while working concurrently as a Data Centre Inventory & Asset Technician at Microsoft Singapore. He has consistently embraced opportunities that challenge him to grow both personally and professionally, learning that true leadership stems from stepping into unfamiliar environments and staying resilient through setbacks.

● Leadership through unfamiliar environments

● Resilience through setbacks & growth

● Operational excellence in MNCs

● Positive community contribution

MY MESSAGE TO CURRENT ZHENGHUA STUDENTS IS...

“

...to believe in yourself and have the courage to take that first step. Step out of your comfort zone, embrace challenges, and seize opportunities. Every success or setback helps you grow. Trust the process, stay resilient, and remember your greatest potential lies just beyond what feels comfortable.

Seah Aik Enid

Class of 2023

Biomedical Science Student
Ngee Ann Polytechnic

FEATURED ALUMNI

2023 – Present

A Dynamic Leader

Biomedical Science, Ngee Ann
Polytechnic

Interest in Medicine & Scientific
Research

Dynamic Leader

Zhenghua Sec School, Class of 2023

After graduating from Zhenghua Secondary School as part of the Class of 2023, Enid pursued her passion for science by studying Biomedical Science at Ngee Ann Polytechnic, where her interest in medicine and scientific research continued to deepen. Her time at Zhenghua served as a pivotal turning point in her life, transforming her from an uncertain student into a resilient Dynamic Leader. Supported by encouraging teachers and peers who recognised her potential, she learned to push past her boundaries and aim higher.

● Transformed through Zhenghua's support

● Deepening passion for medicine & research

● Core values of confidence & resilience

● Aspires to inspire future generations

ONE LESSON I LEARNT IN ZHENGHUA THAT STILL GUIDES ME TODAY IS...

“

...not to let your current position define your potential. Growth often comes from moments of struggle. As long as you keep moving forward and believe in yourself, you will one day become someone your younger self would be proud of.
